Hi Ellen and Bob,

Attached is the draft agenda for next week's Infrastructure and Planning committee meeting. Reuben Freed from Greenscreen will be making a presentation on green walls which will be followed by a group discussion (including Reuben) about how green walls could be used in South Park and how to overcome possible hurdles. I want to have time to really have an in-depth discussion with an expert on this topic. Let me know of any changes or additions you would like. Thanks!
